

MARK J. KOLMACIC
Director of Law

Dear friends, neighbors, and residents of Campbell. On November 2, 2021, I am seeking to be elected to my third two-year term as your Director of Law, previously having been elected in 2007 and 2009. My wife, Juanita, and I have resided on Neoka Drive for 21 years, and pride ourselves on communicating and understanding the needs of our fellow Campbell citizens.

I am the son of the late Judge Joseph Kolmacic and Josephine Bogdan Kolmacic. My father was the first duly elected judge of the Campbell Municipal Court from its creation in 1964, until he retired in 1993 following thirty years of faithful service. Having been born into a Roman Catholic family, I was baptized at St. John the Baptist Roman Catholic Church located right here in Campbell. I attended elementary school at St. John. I graduated from Ursuline High School in 1975. From there, I went on to Bowling Green State University majoring in Political Science and American Studies. During that time, I was fortunate enough to spend a semester in Washington D.C. working on Capital Hill as an intern for Congressman Charles J. Carney. I received my Bachelor of Science degree from Bowling Green in 1979, and went on to obtain a Juris Doctorate degree from The Capital University School of Law, in Columbus, Ohio. I was sworn into the Ohio State Bar Association on November 15, 1982. For almost 40 years I have been engaged in the private practice of law in all state Courts in Ohio, as well as the United States District Court for the Northern District of Ohio. I am a member of the Ohio State Bar Association and the Mahoning County Bar Association. I am a member of the St. Johns men's club; the Legion of Mary St. Joes chapter, and currently serve on the parish finance counsel for Christ the Good Shepherd Parish. I have also served as acting Judge in the Campbell Municipal Court.

During my time in office my open-door policy for department heads and the general public and my attendance at committee meetings was a welcome change to past practice. I developed a reputation as an elected official who was going to do things the way he knew were fair and impartial, and not succumb to outside political pressure. Nor was I one to back down from an unpopular cause. The power of the office of Director of Law is not one to be taken lightly, it can have dramatic effect on the lives of many. It takes an individual of high moral fiber and one who will stand by his decision to charge or not to charge, to prosecute or not to prosecute and

to right an injustice when he sees it occurring. I pledge to you that if elected, I will faithfully carryout my duties and serve the people of Campbell with the honor and dignity they deserve. On November 2, 2021, elect Kolmacic Director of Law.
